

Description

The CHAMELEON C-Handle is an ideal retrofit solution which features adaptable centres to accommodate both inline and offset centres between 59-96mm. Such flexibility is ideal for installers looking to reduce the amount of van stock they carry. This unit features concealed external fixings for superior security and the sliding mechanism is fitted with a nylon seal for ingress protection. The handles are supplied in a pair, complete with spindle and 2 bolts.

10 Year Guarantee
