

EVVA ICS KIK2 Padlock Insert 1 Bitted

Description

This Evva ICS cylinder is supplied 1 bitted with no keys or sidebars, these can only be ordered by customers who have registered their own section with our Evva Department. ICS is a durable, patent protected reversible key system designed with maximum keying potential in mind so master key systems can be planned ahead to take into account potential extensions. The system contains a wide variety of cylinders covering virtually any application and offers both legal and technical key protection mechanisms to ensure a high degree of protection against key copying.
