

## SILCA HU66S20 3 Button Slot Remote To Suit Volkswagen Vehicles

### Description

---

The Silca HU66S20 is a 3 button slot key suitable for use with Volkswagen vehicles. It has a similar design as the original key and is supplied ready to programme with the PCB, ID48-A1 transponder and HU66 emergency key included. The remote has three function buttons (lock, unlock, and boot release).

To simplify the duplication process the key's transponder can also be cloned using a Silca cloning device with the M-Box, whilst the remote needs to be programmed using a diagnostic device. The key is individually clam packed for easy identification, storage and display.

### Features

---

- Similar design as the original key
- Supplied complete with ID48-A1 transponder chip
- Supplied complete with HU66 emergency key blade
- Slot type remote
- To suit Volkswagen
- 3 Buttons
