

ASEC VITAL Cylinder Roll

Description

The Asec Vital cylinder roll is designed for the safe, professional and convenient storage of up to 24 cylinders. No more messy boxes cluttering up your tool bag, the cylinders in the cylinder roll can be ordered by size making cylinder selection and re-ordering used items much easier. It is made of hard wearing material with attractive blue stitching.

Features

- Cylinders sold separately
- Hard wearing material
- No need for lots of messy boxes
- Professional on site appearance
