

SILCA RNR01 3 Button ID46 PCF7946 Remote To Suit Dacia, Nissan, Renault & Vauxhall Vehicles

Description

3 Button Silca aftermarket Full Flip remote with ID46 PCF7946 Transponder Chip. Suitable for use with various Dacia, Nissan, Renault and Vauxhall vehicles. It has a similar design as the original key and is supplied ready to programme with the PCB, transponder, 3 blades (HU136, NE73 & VA2) and 2 roll pins.

The remote has three function buttons (lock, unlock, and boot release).

NOTE: Depending on the specific Transponder in the original key, there are two options for Silca keys for certain vehicles and only one will program in successfully. If the original key contains a PCF7946 Transponder then you will need a Silca RNR01 and if the original key contains a PCF7947, you will need a Silca VA2R01.
