

HOOPLY CEFIRO Side Lock Shoot Bolt STB01

Description

The Hooply CEFIRO STB01 Side lock, also known as the lateral lock, is an auxiliary side lock which is compatible with the CEFIRO Combat Lock 31. Rods (supplied separately) typically connect this side lock to the main gearbox.

These side locks feature two heavy duty shoot bolts in each auxiliary lock, when combined (1 top and 1 bottom), this adds 4 locking points to the Hooply CEFIRO 31 Combat Lock. Please note that this product is not compatible with Latham's stock steel door ranges.

Reversible Handling
