

SILCA HU106S23 3 Button Slot Remote To Suit Mercedes

Description

The SILCA HU106S23 is a 3 button slot remote for use with Advanced Diagnostics Smart Pro only. Suitable for use with FBS3 Mercedes vehicles, it has a similar design to the original key and is supplied ready to be programmed with the PCB, infrared technology and HU106 emergency key blade included. The remote has three function buttons (lock, unlock and boot release), and like the original key, allows you to automatically open and close the windows. It is individually clam packed for easy identification, storage and display.

3 Buttons
