

SILCA GT21P27 3 Button Proximity Remote To Suit Alfa Romeo

Description

The SILCA GT21P27 is a 3 button proximity remote suitable for use with Alfa Romeo vehicles. It is supplied ready to programme with the PCB, transponder and emergency key blade included. The remote has 3 function buttons (lock, unlock and boot release) and is ideal for replacing lost or damaged keys, or to have a duplicate in case of emergency. It is individually clam packed for easy identification, storage and display.
