

Aftermarket Large Magnetic Storage Case for Vehicle Picks

Description

High-Quality Large, durable, magnetic case ideal for safe storage of lock picks such as the Original Mr. Li range. This size will store up to 12 standard picks. The magnetic properties of the case means picks stay in place and the case can also easily be attached to metallic surfaces.

Features

- Durable material and tough zip
- Ideal for safe van storage
- Magnetically lined case secures picks in place
- Holds up to 12 Original Mr. Li picks
