

HAYDON MARKETING Multi Purpose Relay 12V DC

Description

The HAYDON MARKETING Multi-purpose relay works on 12V DC, it is polarized and is a simple to fit module wherever a dry contact, voltage free switching is required or where there is a need for higher than usual currents and voltages to be switched. The polarized function enables it to be used in an Intruder Alarm or in similar systems where the polarity of the output is reversed when in alarm.

Features

- Note: Polarity must be correct for the relay to activate.
- Double pole relay rated at 8 Amps at 30V DC
- Nominal current 24mA
- 12V DC
