

Description

The Fullex Crimebeater range of multi-point locks is designed to provide long term reliability and security. This direct fix double door lock is designed for composite and timber over rebated double doors and is based on the 220 Pro lock mounted on a 16mm full height cover plate for the master door. The slave door side is also based on the 220 Pro centre case in a simplified version with keep adjustment incorporated onto the faceplate.
