

AMALOCK ALM1000 Wireless Wi-Fi & GSM Alarm Kit

Description

The Amalock Wireless Wi-Fi Alarm Kit is easy to install to protect your home and commercial property. Whenever a motion is detected or a contact is activated, the alarm alerts your mobile device to send you a notification that your alarm is sounding.

The kit includes 1 x door/window contact, 1 x PIR motion sensor, 1 x internal sounder control hub and 2 x remote controls.

Works With An App
