

SQUIRE SS65S Elite Dimple cylinder Open Shackle Padlock

Description

The Stronghold 65mm open shackle padlock is manufactured in the UK and made of solid hardened steel. Its electrophoretic finish combined with protective outer casing ensures that it will function reliably in the harshest weather conditions. Tested to meet CEN Grade 5 it is a high security open shackle padlock featuring double ball bearing locking and a 12.7mm diameter boron steel shackle.
