

Compliance Made Easy

FIRECO Dorgard DG2000 Door Hold Open Device

Description

Dorgard enables you to legally and safely hold fire doors open, by allowing the door to close when the fire alarm sounds preventing the spread of fire and smoke.

120 Minute Fire Rating

2 Year Guarantee

Fire Tested

Features

- Automatic night-time release facility and adjustable sensitivity
- Improves access throughout buildings in line with the Equality Act 2010
- Wireless unit
- Dorgard requires no wiring as the unit is battery operated
- Dorgard is listening for a continuous fire alarm of 65dBA or higher
- Installed onto the bottom of the fire door in under 5 minutes using 4 screws
- To help save the environment plastic floor plates and door labels are not included - as most installations do not require them. If these are required, then details are included with the product on how to request them from Fireco
