

MORGAN ACL900 Accessible DIN Standard Lockset

Description

The Morgan ACL900 is a heavy duty DIN style accessible lockset keyed on the Radar/ NKS key scheme. On installation the handle can be set to either left or right handed. The lockcase is certified to BS EN 12209 and the stainless steel furniture is certified to BS EN 1906. Suitable for use where high levels of misuse and vandalism occur such as football stadiums, shopping centres and train stations; this set includes a mortice lock case, strike plate, handle set, spindle, installation key and necessary fixings.
