

YALE Sync Home Security System 11 Piece Kit IA-345

Description

The Yale sync home security system 11 piece kit enables you to use your smartphone to arm, disarm and manage your home alarm from anywhere in the world using the free iOS and Android compatible Yale Home app, all with no monitoring fee. Secure your home even when you are in by part arming the alarm with the convenient zone control feature, and receive push notifications, SMS and email alerts when your alarm is triggered.

The alarm has a 200m range and the smart geo-location function reminds you to secure your home as you leave. The kit is easy to install with all included accessories pre-linked, and can be extended with up to 40 devices.

As this home security system includes a full HD indoor wi-fi camera and an all-in-one indoor/outdoor camera, you can keep an eye over your home with live stream, motion alerts and 2-way real-time notifications. With end-to-end encryption, you can feel safe knowing that your system is truly secure.

Kit Contains:

- 1 x Smart Hub
- 1 x Yellow Live Siren
- 1 x Yellow Dummy Siren
- 3 x Motion Detectors
- 2 x Door/Window Contact Sensors
- 1 x Full HD Indoor Wi-Fi Camera
- 1 x All-in-One Indoor/Outdoor Camera

- 1 x Keypad
