

SILCA Kit Feeder D7A3940ZB for Unocode F Series

Description

The Silca feeder and sorter kit for the Unocode F400/F600 machines adds the capability to automatically feed and sort blanks during the cutting process. This effectively upgrades the F400 and F600 to F900 standard.

Cylinder Key

Features

- Add-on Kit for F400 & F600 machines
- Automatically feeds & sorts keys
- Upgrades machine to an F900
