

Compliance Made Easy

FIRECO Dorgard DG2000 Door Hold Open Device C/W Standard Flat Floorplate

Description

The Fireco Dorgard enables you to legally and safely hold fire doors open, by allowing the door to close when the fire alarm sounds preventing the spread of fire and smoke. Easily installed on the bottom of the fire door in under five minutes, Dorgard listens for a continuous fire alarm of 14 seconds or more.

2 Year Guarantee
