# Product Table

---

 The image shows a set of hardware components for the AS12349 product. It includes a silver-colored metal handle with a curved grip, a matching silver-colored metal plate with four mounting holes, and a smaller silver-colored metal plate with two mounting holes. Additionally, there are two small gold-colored metal components, likely spacers or washers, positioned below the main silver components.	<p><b>AS12349</b></p> <p>Anodised Aluminium</p>
