

Description

The Locinox Fortima QF is a magnetic child-safe gate latch which ensures safety and security for single leaf gates. Internal leverage allows for smooth opening and closing, thanks to its strong magnetic force, and it is suitable for both left or right hand gates. There is full adjustability vertically and 25mm horizontally - a gap of 15mm up to 45mm. It is extremely durable with a patented design, anodized aluminium housing and tested up to 2 million cycles.

Weather Resistant

Features

- Tested up to 2 million cycles
- Magnetic distance of 30 mm (2x industry standard)
- Push down prevention: only opens when magnet is pulled up, adding additional security
- Suits left & right turning gates
- Quick fix bolts for square posts
- Euro cylinder included
- Suits metal, vinyl or wooden gates
