

R B LOCK TOOLS Overlifter Lock Pick 5 Gauge

Description

This 5 gauge overlifter from RB Lock Tools is CNC manufactured in high quality stainless steel and designed for non destructive opening of non curtained three and five lever mortice locks. This tool is simple to use and works by lifting and dropping all the levers at the time whilst tension is applied to the bolt. Available in left or right hand versions depending on which side of the lock is to be picked.

Features

- Designed for picking non curtained 3 and 5 lever mortice locks
- 5 gauge overlifter
- Choice of left or right handed versions
- Manufactured in high quality stainless steel
