

EVVA EPSnp DZ Double Euro Cylinder 1 Bitted

Description

This Evva EPSnp DZ double euro cylinder is supplied 1 bitted with no keys or sidebars, these can only be ordered by customers who have registered their own section with our Evva Department.

Patent protected until 2041, this mechanical locking system is a very economical solution for a cylinder system offering convenience, manageability and a high level of security. The system contains a wide variety of locking elements covering virtually any application and offers legal and technical key protection mechanisms to ensure a high degree of protection against key copying. They have been tested to EN 1634-1 meaning that they have been tested on a fire resistant steel door and are rated to 90 minutes fire and smoke resistance.
