

SILCA 2 Button NSN14R40 ID49-1E Flip Remote To Suit Nissan

Description

The Silca NSN14R40 flip remote car key has a similar design to the original key and is supplied ready-to-programme with the PCB, transponder and NSN14 flip blade included. The key features two function buttons (lock, unlock) and is supplied individually in a plastic clamshell for easy identification and hook display. If you aren't sure of the part you require please either call or e-mail us with the VIN and we will help you order the right part.

2 Buttons
