

GJ LOCKS 7 Gauge 2-In-1 Non Curtain Tips for Multi Gauge Pick

Description

This set of 2 x 7 gauge picks (right and left handed versions both included) are made in the UK by GJ locks to suit non curtain mortice locks. As standard they fit the Willenhall M3 or `SITEX` range of locks. They are to be used with a multi pick, effectively turning your multi pick into a set of 2-in-1 tools.

Mortice Key
