

## HOPPE Door Furniture PAS24 Atlanta 92mm Centres 215mm Screw Centres

### Description

The HOPPE Atlanta Door Furniture features external back plates manufactured from solid aluminium extrusion, with M6 hardened steel screws for added strength. It is PAS24 certified and comes with a sliding cylinder cover which is adjustable to suit various cylinder lengths - this ensures attack resistance, with no need to fit any additional cylinder protection. The handles have the same fixing positions as other standard HOPPE products, making them ideal for retrofit applications.

92mm Centres

### Features

- No need to fit additional cylinder protection
