

# HPC AKK-GF Gold Finger Killer Car Opener Kit

## Description

---

The hook end of this 5-foot long bendable car opening tool is designed to mimic your finger action pulling levers and flipping rockers. The opposing end is perfect for grabbing switches that must be pushed. The bright yellow ends make them easy to see in dark interiors and the super strong steel body will outlast similar tools.

## Features

---

- The kit includes the Gold Finger Car Opener, the Autosleeve and the Original Air Wedge
- This compact, complete kit is all you need to unlock a large variety of cars with button locks
