

DORMAKABA Simplex L1000 Series L1021B Digital Lock Lever Operated

Description

The weather resistant Simplex L1000 series from dormakaba (formerly known as Kaba) is a fully mechanical digital lock solution, eliminating the hassle of frequent battery replacement. The lock can be easily programmed via the 5 pushbutton keypad and does not require the lock to be removed from the door. This cost effective access control solution also features vandal resistant, solid metal pushbuttons for outstanding durability.
