

## Description

The 9603 and 9604 stapleguards from Kickstop are bolt through versions of a london bar and are designed to strengthen the wooden door frame once fitted over the locks staple or keep.

## Features

- The 9604 (L8373) fits over lock staple/keep 30mm x 97mm or less
- The 9603 (L8370) fits over lock staple/keep 30mm x 70mm or less
- 7mm thick
- Reinforces the frame around the staple (keep) of a rim cylinder nightlatch or lever rim lock
