

## Description

This Mila Proline lever/pad furniture has a 240mm backplate and offset 92/62mmmm centres. The backplate has an integrated spring mechanism to ensure that the lever consistently returns to 90 degrees to prevent handle sag. These handles are suitable for use with either sprung and unsprung door locks.

92/62mm Centres

Reversible Handing

## Features

- Handles to suit ASGARD, ROTO, LOCKMASTER, AVOCET & FAB&FIX
- UKAS tested to 50,000 cycles under load
- Sprung Levers
- Non Handed
