

Description

The Mila Non Rout Hinge Protector (also known as a dog bolt) is suitable for use with most casement windows and residential doors with a eurogroove, to provide enhanced security. It is easy to fit and suits most major profiles, with large diecast bolts which slot securely into the eurogroove, making an anti-jemmy feature.

10 Year Guarantee

Features

- Countersunk screw holes for neat flush finish
- Can be retro-fitted on-site to enhance hinge side security
- No routing or preparation required
- Large die-cast bolt slots securely into euro groove when the door/window is closed providing an effective anti-jemmy feature
- Hinge protector suitable for most residential doors & casement windows with a euro groove
