

Description

The Sashmate Top Hung Package contains the tools required for easy repair and replacement of top hung window sashes. The range is constructed from premium quality zinc plated steel and manufactured in the UK. An added bonus of using Sashmate products is that using extra sets on a repair increases the load capabilities of the sets, So, for example, if 2 Sashmate Top Hung sets are used, this makes double the maximum working load capability.

Kit Contents:

- 1 x Sashmate Top Hung Steel
- 1 x Top Hung Drop Set Steel
- 1 x Top Hung Rolling Bar Steel
- 1 x Top Hung Storage Bag

UK Manufactured
