

# SILCA D835274ZB Duo Plus Manual Key Machine

## Description

---

The Silca Duo Plus introduces an innovative concept of manual key cutting machines. A double carriage makes it possible to cut flat keys for cylinders & vehicles, cruciform keys, bit & double bit keys, and post box keys. The specially designed clamp for bit and double bit keys is used to cut not only a large number of these types of keys, but also special keys such as Abus® and Abloy® type keys without the need for additional accessories. Being made of long lasting materials, the Duo key cutting machine is solid, accurate, and reliable.

Cylinder Key
