

ARREGUI Deco Mailbox

Description

The decorative Arregui Deco Mailbox is weather and corrosion resistant and complies to European Standard EN-13724. It is a medium sized mailbox, ideal for applications where larger items such as magazines are being delivered and comes complete with all fixings and 2 keys. The range of Arregui mailboxes have a durable powder coated steel construction and all Deco mailboxes have an aperture size of 320mm x 20mm which will take catalogues, magazines and large letters. It is ideal as a standalone mailbox however can also be assembled as a bank if required (not available with holes for lateral fixing), ideal for use in common areas of flats.

Arregui are one of Europe's leading mailbox manufacturers, all products are created using state of the art manufacturing processes.
