

ARREGUI Villa Mailbox

Description

The Arregui Villa Mailbox is a medium sized highly robust range of mailboxes with anti-rust hinges that further improve its weather and corrosion resistance. Its attractive design includes a sloped top and horn logo and it is supplied complete with all fixings and 2 keys. The range of Arregui Villa mailboxes have a durable powder coated steel construction and an aperture size of 220mm x 36mm which will take A4 sized envelopes. It is ideal as a standalone mailbox however can also be assembled as a bank if required (not available with holes for lateral fixing), ideal for use in common areas of flats.

Arregui are one of Europe's leading mailbox manufacturers, all products are created using state of the art manufacturing processes.
