

ARREGUI Line Mailbox

Description

The Arregui Line Mailbox is an attractive small sized range of mailboxes with flip down slot cover to improve its weather resistance. Its modern design makes it both attractive and functional, it complies to European Standard EN-13724 and it is supplied complete with all fixings and 2 keys. The range of Arregui Line mailboxes have a durable powder coated steel construction and an aperture size of 175mm x 19mm which will take A5 and C5 sized envelopes. It is ideal as a standalone mailbox however can also be assembled as a bank if required (not available with holes for lateral fixing), ideal for use in common areas of flats.

Arregui are one of Europe's leading mailbox manufacturers, all products are created using state of the art manufacturing processes.
