

## Description

---

The Arregui Plate Mailbox is an attractive large sized range of mailboxes with flip down slot cover to improve its weather resistance, the lock remains hidden and protected under the visor and the body incorporates a retainer bar to stop the mail from falling out when the door is opened. Its modern design makes it both attractive and practical, it complies to European Standard EN-13724 and it is supplied complete with all fixings and 2 keys. The range of Arregui Plate mailboxes have a durable powder coated steel construction and a large aperture size of 340mm x 40mm which will take catalogues, magazines and large letters. It is ideal as a standalone mailbox however can also be assembled as a bank if required (not available with holes for lateral fixing), ideal for use in common areas of flats.

Arregui are one of Europe's leading mailbox manufacturers, all products are created using state of the art manufacturing processes.
