

ARREGUI Costa Plastic Mailbox

Description

The Arregui Costa Mailbox is weather and corrosion resistant, it is a medium sized mailbox and is made of highly robust non-corrosive plastic. It has an aperture size of 220mm x 24mm which will take A4 sized envelopes and is supplied complete with fixings and 2 keys. It can be used as a standalone mailbox or assembled as a bank (not available with holes for lateral fixing), ideal for use in common areas of flats.

Arregui are one of Europe's leading mailbox manufacturers, all products are created using state of the art manufacturing processes.
