

SOUBER TOOLS LBT1 Letter Box Opening Tool

Description

This tool opens locks via the letterbox. The Letter Box Tool is fully extendable, and can be made to reach nearly 4 feet to manipulate locks in a variety of situations. It grips round knobs and handles, lifts dropped snibs as well as pulls back certain door chains and surface bolts. Comes complete with its own carry case and built-in mirror.

Features

- Up to 4 foot reach
- Carry case and built-in mirror
- Pulls back certain door chains and surface bolts
- Lifts dropped snibs
- Grips round knobs and handles
