

SQUIRE Lion Range Brass Open Shackle Padlocks

Description

Padlocks from the Squire Lion range have a solid brass lock body and hardened steel shackle. They offer a superior level of security for both indoor and outdoor use. Constructed with a thicker body section than padlocks from the Leopard range, the Lion products come with a larger diameter shackle and more key differs. The Lion padlocks are particularly suitable for lockers, luggage, toolboxes, sheds, garages, gates, greenhouses and boats.
