

SQUIRE SS50EM Marine Grade Stronghold Open Shackle Padlock Body Only

Description

The Stronghold 50mm solid hardened steel padlock combines compact design with market leading product performance. Designed to resist attack, these locks can also function reliably in the harshest weather conditions, as they feature an electrophoretic finish, and are marine grade and salt spray tested for over 200 hours.

The Euro profile 'EM' versions of Stronghold 50mm padlocks are especially designed for easy and secure fitment of an SC65 padlock insert or a modified 71mm double Euro profile cylinder and particularly suitable for garages, warehouses, lorries, perimeter gates, trailers and high security doors.

10 Year Guarantee

Operated By Euro Cylinder
