

## SQUIRE Vulcan Closed Boron Shackle Padlock Key Locking

### Description

---

The Vulcan range of padlocks, by premium lock manufacturer Henry Squire & Sons Ltd, are designed to be extremely attack-resistant, featuring a diecast steel body and concealed hardened boron alloy steel shackle. They are keyed to differ, with a double deadlocking and ball locking 4 pin tumbler mechanism, and come supplied with 2 keys.

Squire are so confident in their products, all security products come with a 10 year guarantee as standard. As well as being highly secure, they also feature an attractive satin chrome body cover, marked with the Squire logo as an assurance of quality.
