

ULTIMATE Universal Dimple Pick Including Blades To Suit ABS

Description

The 'V2' ABS Lock-Pick from UltiM8 Tools, with 'HALF-PICK' technology & unbeatable picking times, literally opening in seconds. The '2in1' ABS Lock-Pick that simply 'rakes open' but also manually picks too. The ONLY ABS pick with magnets already in the pick blade & unsurpassed 'half-pick' technology means you've already half way there, once you've entered the pick blade; very easy to use - requires the minimum of skill.

Contact the suppliers to get FREE online access to all of their useful instructional/How2 videos to help you master master not only the ABS lock, but other high security cylinders too.
