

## URFIC Easy Click Standard Key Escutcheon

### Description

---

The new Easy Click Standard Key Escutcheons from Urfic are 52mm in diameter, designed to complement all Urfic Easy Click (with tape) Lever on Rose handles. This range is so easy to install with minimal fitting time using 3M adhesion so no additional tools are required. It is suitable for internal use and as with all the Urfic Easy Click range, these escutcheons have a 25 year guarantee.
