

## URFIC Easy Click Euro Profile Escutcheon

### Description

---

The new Easy Click Euro profile Escutcheons from Urfic are 52mm in diameter, designed to complement all Urfic Easy Click door furniture. This range is so easy to install with minimal fitting time using 3M adhesion so no additional tools are required. They are sold in pairs, are suitable for internal use and as with all the Urfic Easy Click range, these escutcheons have a 25 year guarantee.
