

## VIDEX 12V DC 1.25A DIN Power Supply

### Description

---

12V DC power supply from Videx featuring free air convection cooling and short circuit / overload / over voltage protection .

### Features

---

- No load power consumption <0.5W
- 100% full load burn-in test
- LED indicator for power on
- Universal AC input/Full range
- Cooling by free air convection
- Short circuit / overload / over voltage protection
