

WINKHAUS Cobra Short Lever Operated Latch & Deadbolt Split Spindle & Lockout

Description

Lever operated latch & deadbolt multipoint lock system by Winkhaus which is fitted with a lockout facility box. The euro cylinder operated lockout box effectively locks out the operation of the centre case making it ideal for situations such as additional security if leaving a home for an extended period of time. It has 92mm centres, 16mm wide faceplate, a split spindle and 2 hooks.
