

## XPERT 32mm Chisel Knife

### Description

---

This 32mm Chisel Knife from Xpert is designed to be ideal for removing window beads, and works well as a general purpose scraper. The chrome plated blade is hard wearing to avoid bending and features a useful steel `hammer` end cap as well as a cushioned non slip handle to improve both safety and comfort when using the knife.

### Features

---

- Strong chrome blade to avoid bending
- 32mm blade
- Steel hammer end cap
- Cushioned anti-slip handle
- Ideal for removing window beads as well as being a multi purpose scraper
