

## XPERT Dripless Mastic Gun

### Description

---

The Xpert Mastic gun is a heavy duty application gun with a revolving barrel, which is capable of holding tubes up to 400ml. Its cleverly designed clutch function stops the material from dripping after compressions, reducing both waste and mess.

### Features

---

- Stainless steel and plastic construction
- Heavy duty function
- Revolving barrel
- Holds tubes up to 400ml
- Clutch function reduces waste, drips and mess
