

YALE Snap Resistant Euro Half Cylinder

Description

The Yale AS Series Euro Profile cylinder has been developed to provide resistance against known cylinder attack methods. The AS series offers British Kitemarked TS007:2012 1 star security and has been tested to the British Standard BS EN1303:2005.

AS Series cylinders have been developed with additional protective features to strengthen the cylinder, make it harder to grip and protect against cylinder snapping. Suitable as a replacement product on PVCu, wood and composite doors, this cylinder is Secured by Design (Police approved specification) and recommended for use on doors that require a high level of security against physical and manipulation attacks.

Supplied With 3 Keys

6 Pin Mechanism

Operated By Euro
Cylinder

Keyed To Differ

Features

- Secured by Design (SBD licence held by Yale Door & Window Solutions)
